2019 BASIC SCIENCE EXAMINATION

Group Performance Report

School:

Number of Examinees:

Test Date(s):

This report provides a graphical summary of the performance of your examinees approaching the end of undergraduate medical education on the IFOM Basic Science Examination (IFOM BSE), the ICG (International Comparison Group) and custom comparison groups (if available). Caution should be used in interpreting an examinee's performance relative to this group due to differences in examinee preparation and motivation. More information about the ICG, custom comparison groups (if available), and how to interpret this document can be found in the Interpretation Guidelines for Medical Schools and Organizations.
