

## **EMERGING INNOVATORS GRANTS**

### **2024 Emerging Innovators Grants Projects**

The Emerging Innovators Grants Program empowers early- to mid-career faculty, researchers and program leaders to explore visionary ideas and make a lasting impact on the medical education landscape. Each year, awards of up to \$25,000 each are given to research teams to push the boundaries of medical education and assessment locally and/or nationally.

The theme for this program was *Promoting Equitable Assessment in Medical Education*. View a list of the recipients below.
